Paula, I do not see any show stoppers for enforcement. The point is to emphasis the collaborative process that is on-going with Sunnyside and its parent Kinross and we have not made any definite determinations concerning liability, which you do. I imagine Richard will chime in a bit here too. Good Job.

Dan Steve, Mike and Richard – Can you each review the attached Q/A and get back to me quickly with any edits or comments. If you can think of other Qs that we should consider, please include those. Thanks

Once I have your edits, I will forward to management but wanted to get your input beforehand. I'm managing this for Cynthia since she is out this week on annual leave.

Thanks
